

A New Day!

SPREADING ITS WINGS  
AHEAD OF ME.

And with it, arrives so  
gently and so peacefully.

And I shall rest in this new day  
with the knowledge that

**ALL SHALL BE WELL**

And that all shall unfold  
just as it is meant to.

There is nothing to do.  
**THERE IS NOWHERE TO BE.**

Just being and allowing the day  
to be just as it is meant to be.

I shall look back on it  
& **SMILE**  
with so much

**love ✦ happiness ✦ gratitude**

for all it has brought to my  
door today and every other  
day to come.
